So where did the name 'Beto' come from?

She's a socialist who ran for Governor of Georgia and lost, and she owes more than \$50,000 to the IRS and she's in hock for \$170,000 in credit card and student loans, but she's the one the DC Socialist Democrats have chosen to give a response to The State of the Union address.

Governments don't want an
intelligent population
because people who can
think critically can't be
RULED.

They want a public just
smart enough to pay taxes
and dumb enough to keep
voting and electing
corrupt politicians.

— George Carlin

Liberals are so mad at President Trump you would think he stole 90% of the Haitian fund relief, sold 20% of our Uranium to Russia, & let innocent Americans die in Benghazi.

**125 YEARS AGO YOU DIDN'T HAVE TO
ASK PERMISSION FROM THE
GOVERNMENT TO:**

- Collect rain water • Go fishing
- Own a property • Start a business
- Renovate your home • Build a home
- Use a transportation vehicle
- Get married • Hunt • Own a weapon
- Cut hair • Sell a product • Protest
- Grow food on your property
- Set up a lemonade stand • Sell food

You can do virtually nothing without being extorted by government and obtaining their permission first. If you still think you're free, you're deluding yourself! You live in a tax farm as free range humans.
