

A man was telling his neighbor, 'I just bought a new hearing aid. It cost me four thousand dollars, but it's state of the art.. It's perfect.'

'Really,' answered the neighbor . 'What kind is it?'

'Twelve thirty..'

Morris, an 82 year-old man, went to the doctor to get a physical.

A few days later, the doctor saw Morris walking down the street with a gorgeous young woman on his arm.

A couple of days later, the doctor spoke to Morris and said, 'You're really doing great, aren't you?'

Morris replied, 'Just doing what you said, Doc: 'Get a hot mamma and be cheerful.'"

The doctor said, 'I didn't say that.. I said, 'You've got a heart murmur; be careful.'

And One more. . . .!

A little old man shuffled slowly into an ice cream parlor and pulled himself slowly, painfully, up onto a stool... After catching his breath, he ordered a banana split.

The waitress asked kindly, 'Crushed nuts?'

'No,' he replied, 'Arthritis.'

Now , before you 'forget', send them on to some other folks you know who could use a good laugh.

*Five surgeons are discussing who were the best patients to operate on.*

*The first surgeon says, 'I like to see Accountants on my operating table because when you open them up, everything inside is numbered.'*

*The second responds, 'Yeah, but you should try Electricians! Everything inside them is colour-coded.'*

*The third surgeon says, 'No, I really think Librarians are the best; everything inside them is in alphabetical order.'*

*The fourth surgeon chimes in, 'You know I like Construction Workers ... Those guys always understand when you have a few parts left over at the end, and when the job takes longer than you said it would.'*

*But the fifth surgeon shut them all up when he observed, 'You're all wrong. Politicians are the easiest to operate on. There's no guts, no heart, no balls, no brains, and no spine, and there are only two moving parts - the mouth and the arsehole - and they are interchangeable'.*
