

**Visualize General George Patton addressing everyone today.
It would go something like this.....**

ATTENTION!

**To ALL those whining, panty-waisted, pathetic
Citizens, it's time
for a little refresher course on exactly why we
Americans
occasionally have to fight wars to keep this
nation great.**

**See if you can tear yourself away from your
"reality" TV and
Starbucks for a minute, pull your head out of
your ass -- and
LISTEN UP!!**

Abu Ghraib is not "torture" or an "atrocitiy."

Got that ?

THIS IS an atrocity!

So Was This!!!

WHICH PART DON'T YOU GET?

**Islamic Extremists are peaceful people?
My Ass!**

Millions of these warped misled sons-of-bitches are plotting, as we speak, to destroy our country and our way of life any way they can. Some of them are here among us now.

They don't want to convert you and don't want to rule you. They believe you are a vile infestation of Allah's paradise. They don't give a shit how "progressive" you are, how peace-loving you are, or how much you sympathize with their cause.

They want your ass dead, and they think it is God's will for them to do it.

Some think if we give them a hug or listen to them, then they'll like us, and if you agree -

then, you are a pathetic dumb ass!

If they manage to get their hands on a nuke,
chemical agents, or even some anthrax --
you will wish to God we had hunted
them down and killed THEM while we had
the chance.

How many more Americans must be
beheaded?
You've fallen asleep AGAIN - get your head
out of your ass!
You may never get another chance!

DISMISSED!
