

2016 - HOPE & CHANGE

Unknown author:

What a revealing collection of photos - the truth about, and the reason for, the declining state of the nation.

The best and most meaningful photo has been saved for the very last. I would challenge anybody to deny the veracity of its 'message'.

Remember 2008 and the promise of Hope & Change? Well, it's 2016 and a chance to correct the mistake of 2008 - and again in 2012 in November.

"... We had four dead Americans. What difference at this point does it make?"

The White House makes a congratulatory call to Jason Collins for being gay.

The White House **IGNORED** calls from these men.

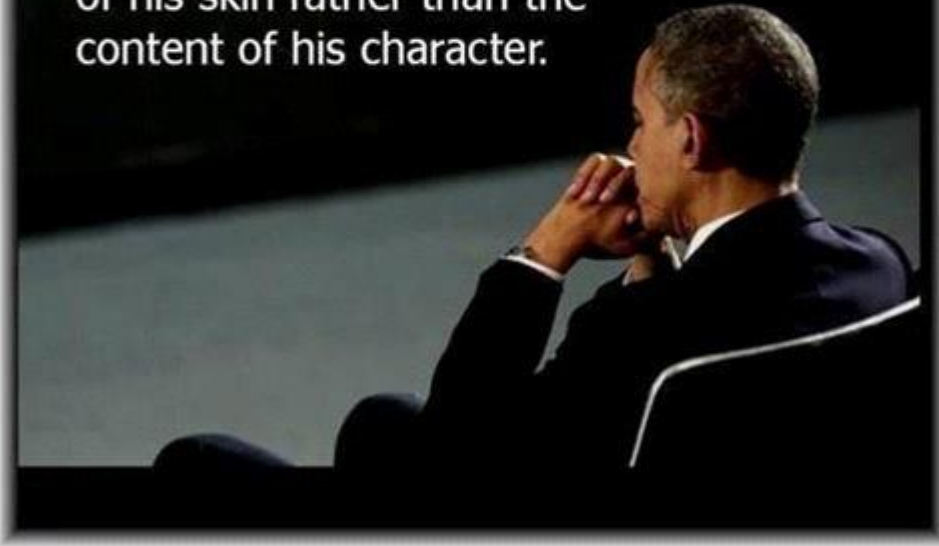

IN 1986, WHEN HE WAS
PRESIDENT,
LIBYA KILLED AMERICANS

HE BOMBED THEIR LEADER'S
HOUSE.

LIBYA WAS QUIET
FOR ALMOST 25 YEARS.

THEN SOMEBODY
APOLOGIZED

It is very sad that our first African-American President will be judged in history as the most inept, corrupt, wasteful, subversive, destructive and divisive President ever. A man twice elected because of the color of his skin rather than the content of his character.

God bless our country and deliver us from this sorry excuse for a president of our wonderful United States. His promise of Hope & Change has been an outright lie. He is obviously bent on the destruction of our country, it's Constitution and the freedoms we so dearly fought to defend and preserve!
