

A group of students were asked to list what they thought were the present "Seven Wonders of the World." Though there were some disagreements, the following received the most votes:

- 
1. Egypt's Great Pyramids
 2. Taj Mahal
 3. Grand Canyon
 4. Panama Canal
 5. Empire State Building
 6. St. Peter's Basilica
 7. China's Great Wall

While gathering
the votes,
the teacher
noted
that one student
had not finished
her paper yet.

So she asked the girl if she was having trouble with her list. The girl replied, "Yes, a little. I couldn't quite make up my mind because there were so many."

The teacher said,
"Well, tell us
what you have,
and maybe we can help".

"The girl hesitated, then read:
"I think the 'Seven Wonders of the
World' are:

1. To See...

2. To Hear...

3. To Touch...

4. To Taste...

5. To Feel...

ふんわり

6. To Laugh...

6 / 6

7. And to Love."

The room was so quiet you could have
heard a pin drop.
The things we overlook as simple and
ordinary and that
we take for granted are truly wondrous!

A gentle reminder :

That the most precious things in life
cannot be built by hand or bought by
man.

Don't be too busy to pass this along.
